Dear Chief Burnett, Officers and Firefighters

Words are inadequate to express the sorrow we feel because of the line of duty death of one of your members, Firefighter William Danes, yet we ask that you accept these words of heartfelt sympathy from all the Officers and Firefighters of this department.

Your loss affects all of us deeply as we have recently traveled the same path.

Please extend our sympathy to all the members of Firefighter Danes' family. Assure them that our thoughts and prayers are with them.

Sincerely yours,

  
Robert A. Hollingshead  
Fire Chief
