Fire Chief Gerald Bennett
Brazos County Precinct 3 Volunteer Fire Department
P. O. Box 5453
Bryan, TX 77805-5453

Dear Chief Bennett and Department Members,

On behalf of our Board, Executive Director, and Federation members, I want to express our deepest sympathy on the death of your department member, Firefighter William Richard Danes.

The Federation of Fire Chaplains is a network of chaplains from fire departments just like yours around the world dedicated to serving firefighters in time of need. In the death of a brother, we are now doing what we do best - praying. We are praying that the family of Firefighter Danes and the members of your department will experience the closeness of God through this difficult time of sorrow.

We pray blessings, comfort, and coping strength to each of you in the days ahead as we mourn with you together in the loss of your valued colleague.

Your fellow servant,

Chaplain Jim Burns,
Regions Division Chaplain
