Members of Brazos County Precinct 3 Volunteer Fire Department,

It is with deep grief that I learn of the death of Fire Fighter William Richard Danes.

In your time of great sorrow and loss, I wish to extend my thoughts and prayers to his family and loved ones, as well as you his brothers and sisters in the service.

On behalf of the Overland Park Fire Department Benevolent Association, would you please present the enclosed memorial pin, remembering all who have made the supreme sacrifice, to the family of Fire Fighter Danes.

May God give you consolation, which is beyond all earthly powers.

Sincerely,

Grant J. Wernicke
Battalion Chief
